Course Improvements

We have done a few turf improvement projects this past month. As you can see from the before and after pictures below our team has been working hard.

15 Green Side Bunker Before

15 Green Side Bunker After

14 Fairway Low Spot Before

14 Fairway Low Spot After

Greens Aerification Schedule

We plan on punching the greens on Monday, October 5th and Tuesday, October 6th. It is important to punch holes into our greens to help reduce compaction, allow air and water into the roots of the plant. Though it may cause a temporary putting nightmare, it is important to do this practice to keep our greens healthy.

Driving Range

We are back on the mats full time until next Spring. But that means there are more stalls available to hit off of. Also we have upgraded our dispenser to take credit cards directly at the machine now. It will accept Visa, MasterCard, and American Express so no need to come to the golf shop for change. Purchase directly at the machine with ease.

Winter Tournaments

Our tournament calendar is filling up fast. Contact John Henry for information on our Winter Tournament Rates. You could get rates as low as \$39 per golfer which includes green fee, cart fee and range balls. Call John Henry at 650-903-6134 or email at jhenry@shorelinelinks.com.

START THINKING ABOUT "WINTER CLUB"

Shoreline Bill's 3rd annual Winter Club will start on Sunday, December 6th and a weeknight the same week.

The "Shoreline Bill Winter Club" is a 14 week program that will provide help with all aspects of your golf game. This includes driver swing, iron swing, wedge swing, short game, putting and much more.

In recent years, classes were 1 hour long. I've been thinking about it and I believe 1 1/2 hour works better. So that will be a total of 21 hours of lessons.

The cost of this class will be \$600. (That is \$28.56 per hour of lessons). I will have a

payment plan available as well. You can pay in full or in 3 installments.

I know 14 weeks is a large commitment, so I have many makeup classes if you have to miss any classes.

I use video analysis and Trackman during these classes.

This is a great way to make the commitment to improve your game before spring 2016!

Upon completion of this class, you leave with newfound knowledge of your swing, newfound knowledge of your short game, a technical plan to get better and new and effective ways to practice.

SPECIAL WINTER CLUB EARLY BIRD OFFER!!

Right now, if you register for Winter Club by clicking the link below, you will save \$100!! This offer will be good from right now until Friday, October 2nd at 12:00noon.

Join in the next 24 hours and you pay only \$500!! (Installment plan available (\$200 now, \$100 in October, November and December).

www.shorelinebill.com/winterclub15

I hope you can make it! This class usually fills up quickly, so I am making it available to you early!!

For all information about Shoreline Bill classes, clinics, schools, etc. visit www.shorelinebill.com and sign up for my newsletter at the bottom of the page!

I hope to see you soon!
