## Shoreline Golf Links

### Greenskeeper/Operator

The Greenskeeper/Operator, under the supervision of the Assistant Superintendent or foreman, operate light motorized equipment, and trucks on the golf course, and do related work as needed for the golf course.

The Greenskeeper/Operator:

- Mows greens, tees, collars, and approaches to greens, and other areas not accessible with gang mowers; rakes sand traps with power rakes
- Operates sod cutter, cart path edger, cart path broom, fescue mowers, and fertilizer spreaders.
- Maintains gasoline, oil and other equipment fluid levels daily; reports equipment problems and failures to the equipment manager immediately
- Performs basic preventive maintenance on the equipment as directed by the assistant superintendent or equipment manager; returns equipment as directed by the locations at the maintenance facility. Utilizes loaders to remove debris and soil.
- Drives a dump Truck to haul material; operates portable pumps.
- May occasionally operate gang units in the absence of equipment operators
- May be asked to change pins and tee markers
- Performs other duties as directed by the supervisor

Employment Standards:

- Knowledge of safe mechanical operation of trucks and other motorized equipment.
- Knowledge of the principles of operation of gasoline engines.
- Knowledge of maintenance tools
- Mechanical aptitude.
- Ability to follow oral and written directions.
- Possession of valid driver's license
